The 2020 Wisconsin School Safety Coordinators Association Annual Conference is going to be a big one!

We are featuring two phenomenal keynote speakers:

**Michele Gay** is the Co-founder and Executive Director of Safe and Sound Schools. Following the tragic loss of her daughter, Josephine, in the Sandy Hook School tragedy, Michele joined Sandy Hook mother Alissa Parker to establish Safe and Sound Schools as a national resource for school safety. Michele travels across the country sharing her message of inspiration, recovery, and school safety education and advocacy.

**Tasha Schuh** of Tasha Schuh Inspirations. After a tragic theater accident left Tasha paralyzed from the chest down, she has discovered invaluable lessons that resonate with audiences of all demographics.

Take advantage of this opportunity to maximize the exposure of your company to over 150 school safety coordinators from every corner of the State of Wisconsin.
