What can WSSCA do for you?

Become compliant

- Learn how Wisconsin Act 309 impacts your District
- Do you know that WI Commerce Department is now called Department of Safety and Professional Services (DSPS) ?
- How do the Occupational Safety and Health Administration (OSHA) Standards apply to your District?

our educational opportunities

- We offer a School Safety Certification program that can be completed in a time frame that fits your schedule.
- We offer many learning opportunities and lecture choices at our Annual Conference.
- We offer special training sessions throughout the calendar year at various locations State wide.
- Visit our Website at www.wssca.org for timely information on educational opportunities and timely topics.
- We provide a monthly Newsletter that addresses timely topics and offers helpful advice for anyone interested in school safety.

Get connected!

- Our members enjoy an ability to network with their peers focusing on school safety and security topics.
 - Membership in WSSCA includes access to vendor resources related to school safety and security.

“WSSCA provides the finest school safety and security training in the State of Wisconsin, and it gets better every year.” - Bob Ellis, East Troy School District

WSSCA is a non-profit and non-government organization that includes administrators, supervisors, teachers, building and grounds personnel, health and nursing personnel, safety coordinators, school districts as well as private/public businesses through district, corporate and student memberships. The business of the association is conducted by a thirteen member Board of Directors with guidance from several advisers. Our mission is simple: Make schools safe!
